

Quality *dressed* with Creativity...

The **PinguinLutosa** Food Group specialises in the development, production and sales of an extensive range of frozen vegetables, fruits and potato products (fries and specialities) as well as convenience food. The Belgian Group also produces and sells parfried chilled chips and potato flakes.

PinguinLutosa has 15 production sites situated in the heart of the most fertile agricultural areas in Europe (Belgium, France, UK, Poland & Hungary). A total of 19 subsidiaries and sales offices in 5 continents are entirely dedicated to all customer segmentations: food industry, catering as well as large and medium commercial outlets and fast food.

Thanks to the efforts of PinguinLutosa's 2455 enthusiastic employees, the group delivered nearly 600.000 tons of finished products to more than 100 countries around the world during the year 2010.

PinguinLutosa's target is to offer customers and consumers, wherever they are and throughout the year, a large choice of vegetable and potato based top-quality easy to prepare products that turn every meal into a guaranteed success.

Recently PinguinLutosa has diversified its activities with the acquisition of Scana Noliko, Belgian specialist in the processing of canned vegetables, fruits and potatoes, but also in sauces and ready-meals. Scana Noliko has 2 production sites and employs 563 staff.
